Policy No. 302.6

In keeping with the Mission, Vision and Values of the Niagara Catholic District School Board, the Board is committed to fostering caring, safe, equitable, inclusive and accepting learning and teaching environments for all students, staff, parents/guardians and community members involved in Board and school programs, events and activities. A whole school approach to creating a positive environment for learning and working requires a shared commitment amongst all stakeholders in a school. To maintain and improve student success and achievement, we must ensure that students continue to feel safe, nurtured, welcomed, respected and included.

This shall be achieved by establishing and maintaining high expectations for behaviour, while offering programs that emphasize early, ongoing, and proactive practices and supports. Appropriate programs and supports include, but are not limited to:

- promoting healthy relationships and well-being,
- inclusive and culturally responsive learning environments,
- mentorship programs,
- equity and inclusive education,
- culturally responsive pedagogy,
- student leadership,
- bullying prevention and intervention,
- conflict prevention and intervention,
- restorative mindset and practices,
- character development and education,
- counselling, and
- the inclusion of social emotional learning in the curriculum

The Niagara Catholic District School Board has established Governance Policies and Administrative Operational Procedures linked to this Safe and Accepting Schools Policy, which foster increased respect, responsibility and civility in compliance with current legislation. The Board will provide professional development for staff to support prevention of inappropriate student behavior and strategies for promoting positive school climate.

Therefore, the Niagara Catholic Safe and Accepting Schools Policy and Administrative Operational Procedures will:

- create schools that are caring, safe, inclusive and accepting of all students, staff, parents/guardians; and members of the school community by implementing Board Policies and Administrative Operational Procedures;
- provide students with a caring, safe, inclusive and accepting learning and teaching environment;
- promote a positive school climate in all schools and prevent inappropriate behaviour, including but not limited to, bullying, discrimination, harassment, violence and sexual assault;
- endeavour to be responsive to the diversity, cultural and individualized needs of students;
- address, report, and respond to inappropriate student behaviour in accordance with Board Policies and Administrative Operational Procedures and promote early prevention, intervention and supports;
- provide support to students who are impacted by the inappropriate behaviour of other students; and

- establish progressive disciplinary approaches that promote positive behaviour with measures that include appropriate consequences and supports for students to address inappropriate behaviour.

The Chief Executive Officer will ensure the implementation of Policies and Administrative Operational Procedures linked to the Safe and Accepting Schools Policy.
