

STUDENT FEEDBACK CHECKLIST

Student Name:

	Student	Teacher
Use different ways to represent ideas (e.g., numbers, pictures, words, diagrams, graphs)		
Show all steps		
Use mathematical symbols correctly		
Use mathematical words from the math word wall when explaining		
Show the steps you did (or your thinking) in order from first to last

Show all steps		
Use mathematical symbols correctly		
Use mathematical words from the math word wall when explaining		
Show the steps you did (or your thinking) in order from first to last		

Mathematical Process Che

Use different ways to represent ideas (e.g., numbers, pictures, words, diagrams, graphs)

Show all steps

Use mathematical symbols correctly

Student 1

Student 2

Student 3

Student 4

Student 5

Student 6

Student 7

Student 8

Student 9

Student 10

Student 11

Student 12

Student 13

Student 14

Student 15

Student 16

Student 17

Student 18

Student 19

Student 20

cklist

Use mathematical words from the math word wall when explaining

Show the steps you did (or your thinking) in order from first to last
