- Re-organization 2024
- Priorities for 2024-2025

Some of our priorities for this year include:

- To support the academic success and well-being of Indigenous students
- To support students in meeting provincial Numeracy & Literacy standards
- To support the critical linkage between mental health and well-being and student success
- To improve support for children and youth with special education needs and their families
- To provide supports for students to be successful in de-streamed learning environments.
- To ensure that all young learners receive the necessary foundational skills and early interventions in reading that are critical to future success
