a. **New Chromebooks purchased: Niagara Catholic is beginning to phase out old Chromebooks that are too costly to repair.**

b. **This will happen each year, with as anywhere from 50 to 120 Chromebooks being phased out each year. Our fundraising will help us keep up with purchasing replacements each year.**

- viii) Gym Construction Update - waiting on stage, we have gym access as of last week.
- ix) School Improvement / Staff Report -
EQAO scores for St. Alexander - what they mean
 - compared to NCDSB and Ontario
- DOT scores and what we are doing as a learning team
 - Looking at those students that are close to levels 2.8, 2.9, and 3.1,3.3... How many level 4's? etc...
 - Discussion of cohort data and how our school performed from grade 3 to grade 6 results
 - Discussion about the importance of critical thinking for kids. We talked about the MathUp program, which is used as a primary resource in Niagara Catholic. Promotes rich, open-ended tasks with an entry point for all students.
- x) Follow up re: Pegasus Photography
 - Discussion of backgrounds and the photo ordering process.
 - Basically, there is a deadline, and all photos are processed about 10 days after the deadline, regardless of when you order.
 - We passed around and compared a grade 1 class picture from last school year (**Lifetouch**) and a grade 1 class picture from this school year (**Pegasus**).

*CSC members did a tour of the new gym, sensory and movement room at the end of the meeting.
